## ATTACHMENT T

Security Requirements:

A. The Contractor shall maintain a Security Program in accordance with the requirements set forth in the Customer's industrial security manual (green book) entitled "Standard Security Procedures for Contractors," dated 1 May 1979, which is incorporated herein by reference and made a part hereof. The original manual was changed by substitution of a new Section 10. As a result of the new Section 10 substitution, the following change is also made to the manual:

Section 3. DEFINITIONS - On page 5 of the manual under the topic SECURE WORKING AREA, delete the last two sentences which read: "Contractor facilities which have a guard patrol shall comply with the second sentence of paragraph 10.c. (3)(b)(1). Contractor facilities which do not have a guard patrol shall comply with the first sentence of paragraph 10.c.(3)(a)(2)."

B. The Contractor shall not initiate or perform any classified work in the Contract until he is in compliance with the security provisions incorporated herein.
